### Resource Description

**Exposure :** ☒

weather or climate related pathway by which climate change affects health

Unspecified Exposure

**Geographic Feature:** ☒

resource focuses on specific type of geography

None or Unspecified

**Geographic Location:** ☒

resource focuses on specific location

Global or Unspecified

**Health Impact:** ☒

specification of health effect or disease related to climate change exposure

General Health Impact, Mental Health/Stress, Other Health Impact

**Other Health Impact:** well-being

**Mitigation/Adaptation:** ☒

mitigation or adaptation strategy is a focus of resource

Adaptation

**Population of Concern:** A focus of content

**Resource Type:** ☒

format or standard characteristic of resource

Policy/Opinion, Review

**Resilience:** ☒

## Climate Change and Human Health Literature Portal

capacity of an individual, community, or institution to dynamically and effectively respond or adapt to shifting climate impact circumstances while continuing to function

A focus of content

**Timescale:** ☒

time period studied

Time Scale Unspecified
